This report is regarding an incompetent and fraudulent [law firm](#) called Herman and Russo run by Mellissa A Herman and David A. Russo. Their office is located at the following address:

225 Creekstone Ridge
Woodstock, GA 30188
Phone: 678-681-2021

Web site: www.hermanrusso.com

Many of their victims also reside outside of Woodstock as we do.

In our 25 years of operating a [business](#), we have never encountered such negligence in handling a legal matter. We've spoken with several other parties who had a very similar and damaging experience by retaining this firm. Beware.

In our company's case, he accepted \$30k with the promise that he could handle our debt negotiation and then proceeded to give us the run around for months. After receiving our [payment](#) he consistently avoided our phone calls and attempts at contacting him. In the rare event we actually were able to get a hold of them, they lied to us and said that they were working on our files when in reality he was just letting our files sit around and accumulate dust.

This not only cost us an exorbitant amount of money but also got us in trouble by making us look bad to our clients. These guys are nothing short of being blatant criminals who hide behind their bar numbers while making their living purely by promising people services, stealing their money, and then never delivering on his promises.

Whatever you do, do not become another victim by falling prey to their scams and fraudulent claims. It is absolutely asinine that this "law firm could" still be licensed after all the people they've screwed over. If you don't want to be lied to, swindled and taken advantage of, stay away from these crooks at all costs!!

  Herman & Russo, P.C., is a small
consumer bankruptcy firm that focuses on providing quality legal services in
a friendly, fast and flexible manner. Unlike other bankruptcy firms that
focus on volume, Herman & Russo prefers quality cases rather than quantity so
that they may deliver the best service possible. As a result of this
practice, a large percentage of the cases Herman & Russo receives are
referrals from happy clients.<br /><br />My name is Melissa A. Herman and I
am a partner at Herman & Russo. I have over 13 years of experience as a
bankruptcy attorney and I am expecting to receive a prestigious board
certification from the American Bankruptcy Institute. The complaint filed
against my law firm is a hoax. The author of this fabrication did not sign
his name. We have never received a thirty thousand dollar retainer from
anyone for anything nor have we ever been retained to negotiate settlements
with clients. We certainly do not let files linger in our office and always
have the work we promise to do completed ahead of schedule. We answer our
own phones when we are not in court or with clients and usually return our
clients' calls within 24 hours.<br /><br />We are very concerned about this
defamatory and false report and intend to pursue legal action against Ripoff
Report and against the author for publishing this report in a reckless and
wanton manner. We are also meeting with the internet crimes division of our
local law enforcement.<br /><br />If you have any questions about us, please
do not hesitate to contact us at 678-925-3510. You may also contact the
Georgia Bar if you want to verify our record.
